How do we protect our environment?

We can help protect the environment in our daily life. Write down what we can do and the reasons according to the photos given below.

Here are some useful words for you:

recycle* trees petrol waste reuse reduce

	Action	Reason
(a) 	_____ the use of small vehicles (e.g. private cars) and increase the use of mass transport* (e.g. MTR)	Reduce the use of _____ so as to reduce air pollution
(b) 	_____ plastic bags	Reduce the amount of plastic _____
(c) 	_____ paper	Reduce the cutting down* of _____ to make paper

Checkpoint 2.5

1. (a) Name TWO endangered species that can be found in or near Hong Kong.

- (b) Why do some plants and animals become endangered species? Give THREE reasons.

2. Apart from reducing the use of plastic bags, suggest TWO other actions that we can take to reduce the amount of plastic waste.

3. Apart from using mass transport, suggest TWO other actions that we can take to reduce air pollution.
